The beauty OF WELLNESS

With the first holidays of 2021 fast approaching, it's time to take a breather & look after your mind, body & spirit.

It is time to choose you. Spoil yourself, indulge, rest. Take the time to be mindful of each moment. Be **PRO-YOU** with a choice of products that will lift your spirit & enhance your natural beauty. We have put together exceptional offers to help you experience the **BEAUTY OF WELLNESS**.

Choose superbly effective products, formulated specifically for South Africans. Because we understand you & your specific needs.

Choose to empower South African women by supporting your Justine Consultant with every purchase you make.

Choose with complete peace of mind, knowing that Justine is cruelty-free & that we do not test on animals.

It's all about YOUR CHOICES this month.

With love,

Justine

OILY SKIN EXPLAINED

Justine has expertly formulated skincare with South African women in mind to provide effective solutions. Oily skin can be harder to control in the warmer months. Below we break down all you need to know about oily skin

RETURN TO INDEX

SKINCARE REGIMEN

- Cleanse • Scrub twice a week • Tone • Mask once a week • Targeted Spot Treatment • Moisturise

JUSTINE RECOMMENDS

TIP 1

Cleansing & toning is important to reduce the build-up of excess oil. Try the Oil Control Deep Cleansing Face Wash & Oil Control Deep Clarifying Toner, which leave your skin feeling fresh & rejuvenated while not stripping away your skin's natural oils

TIP 2

You should exfoliate your face at least twice a week to prevent oil & dead skin build-up, which can clog your pores, leading to blemishes & blackheads. Try the Oil Control Anti-Blemish Facial Scrub

WHAT IS OILY SKIN?

"Oily" is used to describe a skin type with heightened sebum (oil) production.

RETURN TO INDEX

HOW TO SPOT IT

Skin appears thick, coarse & shiny with enlarged pores

Skin shines soon after cleansing

It is prone to blackheads, whiteheads, pimples & spots

Skin appears greasy & can have uneven skin tone or blemishes

SOLUTION-DRIVEN INGREDIENTS

FENNEL SEED EXTRACT: Known for its deep-cleansing properties, fennel helps control excess oil & fights blemishes

PHYTOL: A powerful natural ingredient found in plants, known to help balance skin's natural oil flow

MENTHOL: Extracted from peppermint, menthol is known to help cool, soothe & refresh problem skin

MILK THISTLE EXTRACT: An excellent antioxidant, known to help reduce skin damage, for healthy-looking skin

TIP 3

Adding a mask to your skincare helps condition your skin. Clay helps to detoxify the skin & draw out impurities & oils from the surface of the skin. Try the Oil Control Menthol Mud Mask for a glowing complexion pick-me-up

TIP 4

Having oily skin can lead to breakouts & pimples, which can leave spots. A targeted solution like the Oil Control Spot Clearing Gel will help to reduce spots.

TIP 5

Oily skin still needs to be moisturised to help prevent overproduction of sebum. Use our mattifying cream or lightweight gel cream to effectively reduce oil, refine pores & improve texture

REDEFINING OIL CONTROL & BLEMISH SOLUTIONS

RETURN

COUTURE

Make every moment couture.
Every street is your runway, every crowd is your paparazzi.
You're an influencer, an activist, a limited edition.
Inspire, turn heads, allure...
Like couture, your style is eternal.

COUTURE

Eau de Toilette

Justine

A designer ensemble of crisp pear & incense is followed by a bold runway of floral heliotrope, rose & violet notes that end on an avant-garde signature of vetiver, classic vanilla, musk & balsam.
